Read What Our Students Have to Say About Our Online Wine Courses

Being a member of the CONFRERIE DE LA CHAINE DES ROTISSEURS I take my food and wine very seriously. This is my profession and I was expecting high standards in the level of wine courses as well. I was not disappointed and I would unreservedly recommend the wine introduction and wine pairing courses as I found these two courses which I took to be extremely useful, practical and high informative. A job well done APWASI.

★★★★★

The course I took was interesting, to the point, practical and cleared many previously hidden facts for me. The knowledge gained from their course is in use every day and I am now imparting that to my staff. I will be enrolling in another course thank you APWASI. I can now understand my Asian clients better.

I had read about and studied wine courses about Bordeaux, but had never been there. My tour to Bordeaux was exhilarating, dynamic and above all I touched, saw and felt the world of wine at my finger tips on this tour. We visited world class wineries like Chateau Haut Brion, Chateau Pichon Baron and famous region of Sauternes and Graves. Great and what an experience looking forward to touring Italy with APWASI.
